

# Attention all Old Building Lovers!

**The Clintonville Area Commission Historic Building Committee is proud to announce it's second annual awards!**

**We are seeking nominations from the community for their favorite commercial building for each of the three categories:**

## Stewardship

In recognition of a building / owner that may not have undertaken a large project recently, but has continued to do an excellent job of maintaining their historic property.

*Last Year's Winner – Urban Podiatry*

## Preservation

In recognition of a project that has recently been renovated / preserved and retains its original use.

*Last Year's Winner – Clinton Elementary*

## Adaptive Reuse

In recognition of a project that has adapted a historic property to a new and different use while maintaining its historic character.

*Last Year's Winner – Elm & Iron*

## Nominations must include:

- Building Address
- Name of Building and / or Business
