**CARPENTER ANNOUNCES CANDIDACY FOR CLINTONVILLE AREA COMMISSION, DISTRICT 6**

Experienced attorney wants to serve her neighborhood

I'm your neighbor – I live on West Dominion Blvd in District 6 -- and I want to be your voice on the Clintonville Area Commission. I've lived here for 13 years. My husband John and I love living here and we enjoy walking our dog R.J throughout this beautiful environment.

I've spent many days knocking on doors and getting to know so many neighbors. We have so many concerns in common. For example, we must maintain senior living in Courtyard Estates and protect the Delawanda area. These seniors deserve to remain there. They shouldn't be displaced by the Preferred Living corporation. Introducing transient living in an area that's already too congested is a bad idea. Over nearly two decades of practicing law, I've developed experiences and resources that will help me protect these seniors.

My service on numerous non-profit boards – as both a leader and a grassroots volunteer – gives me a perspective on how to work with others, organize community consensus, and get things done.

Too many people in leadership roles seek to divide. My focus is how to bring us together. My actions will speak louder than my words, and I encourage you to hold me accountable.

Some people may view a position on this Commission as a stepping stone to higher office. That's not my approach. I don't want – and I will not run for -- a political office. I'm just a Clintonville resident who loves our town and I'm willing to volunteer my time to make it better for all of us.

If you live in District 6, you should know I will LISTEN to find out what's important to you; SPEAK for you without self-interest; FIGHT to save the Courtyard Estates and the seniors who reside there; WORK to preserve our neighborhood in these times of commercial growth; and HOLD regular meetings specifically for District 6 residents.

Call me at 614-507-6467 or email me at [KendraD6@yahoo.com](mailto:KendraD6@yahoo.com) and I will be glad to discuss this in more detail. I respectfully ask for your vote.
