Clintonville Area Commission Announces 2021 Election Process

The Clintonville Area Commission (CAC) approved a 2021 election timeline at their February meeting proposed by the CAC Election Committee.

While the 2020 election took place exclusively through a mail-in ballot process during the first few months of the COVID-19 pandemic, the 2021 election will provide voters the opportunity to vote safely via mail or in-person at an outdoor, socially-distanced station at Whetstone Library.

The full timeline is attached on page two. Key dates for candidates and voters include:

- Saturday, February 20** – Candidate Petitions available at Whetstone Library
- Saturday, March 27** – Deadline for Submission of Candidate Petitions
- Friday, April 2** – Deadline to Notify Election Committee of Write-in Candidacy
- Monday, April 12** – Deadline for Receipt of Mail-in Ballot Request Forms
- Tuesday, April 27** – Early Voting Day, 6-8 PM near Whetstone Community Center
- Friday, April 30** – Deadline Mail-in Ballot Requests
- Saturday, May 1** – Election Day near Whetstone Community Center

“I commend Election Committee Chair Henkener and her colleagues for their prioritization of safety for candidates and voters alike in light of the challenges presented by the COVID-19 pandemic,” said B.J. White, CAC Chair.
