

Meeting Minutes of a Special Meeting of the Clintonville Area Commission

September 26, 2026

Clintonville Beechwold Resources Center Annex

3230 N. High Street, Columbus, OH 43214

Thanks to Clintonville Beechwold Resource Center (CRC) for hosting this meeting.

Present: Brittany Boulton (chair, CAC), Mark Moritz (CAC), Jacob Miller (Planning and Development Committee), David Ungar (Rotary), Nancy Kuhel (Rotary, CABA), Kathy Signorini (Rotary). **There was no quorum and no votes were taken.**

Meeting started at 8:35 am

- Jacob provided an update on the Slow Down Clintonville survey – we received more than 500 respondents but the aim is to get a few more responses.
 - Here is the URL for the survey: <https://docs.google.com/forms/d/e/1FAIpQLSfveWBs-5qLo9uF-INiKlorwJhtWXp-vXkUDxDip7eo9rmVKA/viewform>
- We have decided that the survey ends at the end of this month and we will make one more push to get as many participants as possible, including from businesses at North High Street.
- We also discussed what we are going to do with the data. We are planning a three-pronged approach: city politicians and staff (e.g., council members, mayor, department of public services, Vision Zero), media (e.g., Spotlight, Dispatch, TV10), and community (e.g., yard signs and bumper sticker/magnets).
 - Jacob and the Planning and Development committee will create a one-page summary of the survey findings, and we will look for neighbors who want to share their story in the media.
- Mark is serving as a delegate for the participatory budget process and will score proposals for City District three with other delegates in the coming months. This will be followed by a public voting period, which we will advertise widely.

Meeting was adjourned at 9:30 am.
